World Wide Notary and United States Notary Association Team Up to Provide eNotarization Seminars

Vernon, TX—(01/20/2006) World Wide Notary (WWN) (Privately Held), the leading provider of electronic signature and electronic notary services and the United States Notary Association (USNA) today announced that they have teamed up to provide eNotarization and eSignature educational seminars throughout the state of Texas. These seminars will educate Texas notaries, attorneys, real estate and business professionals regarding electronic regulations and how to apply technology to their benefit to increase their bottom line. Industries that would benefit from attendance are:

- Government
- Mortgage
- Real Estate
- Legal
- Insurance
- Financial Institutions
- Banking
- Auto and Boat
- Oil and Gas

USNA will discuss how E-SIGN (Electronic Signatures In Global and National Commerce Act) and UETA (Uniform Electronic Transaction Act) acts will impact a notary's responsibility and functionality regarding electronic transactions.

World Wide Notary will explain to attendees how to overcome technological barriers regarding e-Notarization, e-Signing and e-Closing activities. Attendees will learn how to apply technology to reduce errors, save time, save money and enhance compliance to enhance business efficiencies.

Seminars to be held in:

Austin
Houston
San Antonio
Dallas and Ft Worth:
